Sponsorship and **EXHIBITOR OPPORTUNITIES:**

Plant 2024 offers various opportunities for sponsors to exhibit their support towards science and to the people who are scientists, students, researchers and academicians by providing financial contributions to facilitate the presentations for noble research findings, hospitality and other necessary management for the scientific meetings.

How does sponsoring/exhibiting at the Plant 2024 conference benefit my business? Designed as a must-attend event, you increase your visibility. You will have direct exposure to your target audience and a chance to talk one-on-one with business decision-makers who need your goods and services.

This method is more personal and practical.

If I am unable to attend the conference, can I still get my company's information to attendees?

Yes! Plant 2024 has remote vendor opportunities. Each attendee is provided with a complimentary tote bag that will contain the proceedings book and the program. Each vendor member will have the opportunity to promote their business via a full-page flyer, gift item or brochure insert.

We are dedicated to getting your brand in front of a group that's eager to learn more about your products and services. Don't miss the opportunity to:

- Make a long-lasting impact on your target audience
- Find new customers
- Stay on top of industry trends
